Coaching disclaimer:

The Client and/or User understands that the role of ericamessenger and/or Erica Messenger is not to prescribe or assess micro- and macronutrient levels; provide health care, medical or nutrition therapy services; or to diagnose, treat or cure any disease, condition or other physical or mental ailment of the human body. Rather, ericamessenger and/or Erica Messenger is a mentor and guide who has been trained in holistic health coaching to help Clients and/or Users to reach their own health goals by helping the Client and/or User devise and implement positive, sustainable lifestyle changes. The Client and/or User understands that ericamessenger and/or Erica Messenger is not acting in the capacity of a doctor, licensed dietician-nutritionist, psychologist or other licensed or registered professional, and that any advice given by ericamessenger and/or Erica Messenger is not meant to take the place of advice by these professionals. If the Client and/or User is under the care of a health care professional or currently uses prescription medications, the Client and/or User should discuss any dietary changes or potential dietary supplements use with his or her doctor, and should not discontinue any prescription medications without first consulting his or her doctor.

The Client and/or User has chosen to work with ericamessenger and/or Erica Messenger and understands that the information received should not be seen as medical or nursing advice and is not meant to take the place of seeing licensed health professionals.

Diet and Exercise Disclaimer:

Regular exercise is not always without risk, even for healthy individuals. Certain types of exercise are riskier than others and all exercise is risky for some individuals. Some dietary recommendations are healthy for the majority of people, but potentially dangerous to others.

You are responsible for your own health and safety at all times, as such, by visiting and using this website you are agreeing to the following:

1. You acknowledge and agree that you have been assessed by a qualified medical professional (e.g., your doctor) who has given you consent to take part in physical activity.
